AMAZON FUTURE ENGINEER SCHOLARSHIP

The Amazon Future Engineer Scholarship helps students interested in computer science, engineering and robotics with the support of up to $40,000 in college funding and internship opportunities.

At Amazon, supporting underserved students in their computer science, engineering and robotics education is not only important—it's imperative to building a diverse tech industry and future.

To apply, students must:

- Be a U.S. Citizen, Permanent Resident, or Employment Authorized to work in the United States.

- Be a high school senior in the U.S. who is currently enrolled in or who has completed a high school or college dual degree course where computer science, engineering, or robotics is the subject. Students who have not taken this course can opt-in to take an assessment offered by Amazon.

- Be planning to attain a bachelor's degree in computer science, software engineering, computer engineering, mechanical engineering, electrical engineering, robotics, or other computer science related field of study from an accredited 4-year college or from a 2-year college with the intent to transfer to a 4-year college.

- Have a minimum cumulative grade point average of 2.3 on a 4.0 scale (or its equivalent).

- Demonstrate financial need.

DEADLINE TO APPLY DECEMBER 15, 2023
